(606) 256-9030

January 12, 1996

Dear Bill,

I appreciate your sending me the Weisberg books on the Kennedy assassination. Such a level of scholarship is overwhelming to one such as I who knows so little about the subject matter. Of course, I am always interested in the references to Senator Cooper and his work on the Warren Commission.

Again, please accept my thanks for these books and I will enjoy them leisurely.

With kind regards, I am

Very truly yours,

Joseph E. Lambert
